Deep Community Roots

Clark was founded in 1906 through a generous donation by Melvin and Emily Clark. Their spirit of generosity and community still resonates at Clark today. Clark is a thriving, ecumenical community that welcomes people with open arms and warm smiles. Each resident feels a deep-rooted sense of belonging, and the committed caring of the staff.

The Clark Commitment

We form a very serious partnership with our residents. You commit your financial resources to Clark. We, in turn, promise that if your money runs out due to longevity or illness, we will continue to provide excellent care.

We are able to fulfill this commitment to benevolent care thanks to the work of our Foundation and the generosity of our donors.

“My wife and I highly recommend Clark. The community is outstanding and the staff is wonderful. We wouldn’t go anywhere else.”
