Volunteering

Clark Retirement Community serves almost 500 residents with dignity and respect. We rely on the willing hands and generous hearts of many volunteers to help us provide the experiences and services that make Clark such a warm-hearted community.

We have almost 300 generous volunteers who give over 19,000 hours of service each year. Literally...we could not do what we do without them!

If you have a heart for seniors, then we have a place for you.

- Two campuses: Franklin Street and Clark on Keller Lake
- No minimum or maximum number of hours—we sincerely appreciate whatever you can do!
- People of any age and any skill level are welcome to volunteer
- We can provide documentation for students seeking school-related credit

“The best way to find yourself is to lose yourself in the service of others.”

(Mahatma Gandhi)

No one is more cherished in this world than someone who lightens the burden of another. Thank you!

We have a variety of volunteer opportunities to match your skills and your available time.

Here are just a few examples:

- **Social assistance:** reading aloud, hosting at an event, working in the Chatterbox Café, greeting and directing visitors
- **Caregiving:** assisting residents with non-medical care such as dining, transportation, cleaning, and companionship
- **Clerical work:** answering phones, filing, assembling mailings, retail assistance
- **Maintenance:** painting, gardening, doing light repairs

Get Started Today!

Just complete these four simple steps, and you're ready to start volunteering at Clark!

- 1** Contact our Volunteer Coordinator at (616)452-1666 ext.140 or volunteers@clarkretirement.org to discuss your interests and potential opportunities.
- 2** Complete an application form, including information for a background check.
- 3** Complete TB testing.
- 4** Complete a volunteer orientation.
